What is Preflight?

Preflight is an event designed to provide Graphic and Web Design students an opportunity to receive constructive feedback from experienced design professionals. Preflight is an opportunity to show your work and ideas to some of the best art directors and designers in the Inland Northwest. All that is needed to participate is a portfolio-- and it does not need to be a finished product.

Is this an interview or job fair?

No. The goal of the event is to practice...

- presenting your work,
- explaining your work,
- receiving constructive feedback,
- networking

Shake hands, listen intently, inquire thoughtfully, and position yourself professionally.
