Twelve students at Spokane Falls Community College took home ADDY awards at the recent student designer competition sponsored by the Spokane Advertising Federation. The new Student ADDY Awards have an abbreviated set of categories that cover all major aspects of the advertising and design industry. This structure provides a competitive framework and allows students to showcase their talent. The work is held to the high creative standards established by the existing ADDY Awards.

The new national program parallels the existing three-tiered professional ADDY Awards competition and offers a $1,000 cash prize for the National Student "Best of Show" winning entrant.

All Silver and Gold winners are forwarded to the District competition comprised of Washington, Oregon, Idaho, Montana, and Alaska. They are judged against specific criteria defined for our region. All Gold District winners are then forwarded to the National ADDY competition.

Special thanks goes out to the following industry professionals for sharing their knowledge and experience at this year’s Graphic Design Club speaker series...

- Marcus Brown
- Brandon Delauney, Seven2
- Shawn Davis and Ryan Stemkoski, Zipline Communications
- Heidi Amoroso, Centaur Group
- Dennis Magner, MagnerSanborn
